Buz Easy San Strong BE 25

Acid sanitary basic and maintenance cleaner

Area of application

- In the entire sanitary and wet room area
- For all acid-resistant surfaces and materials such as wall and floor tiles, washbasins, stainless steel, chrome fittings, aluminium surfaces, bathtubs, toilets and urinals

Product properties

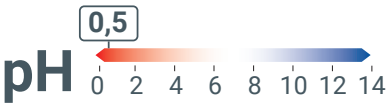

- Powerful and spontaneous cleaning performance thanks to an effective combination of acids
- Dissolves stubborn deposits of typical sanitary contamination such as lime, scale, cement residue, rust, water and urine scale, skin oils, cosmetic residues, etc.
- Prevents rapid re-soiling thanks to the lime and dirt blocking effect
- Leaves high-gloss, streak-free surfaces without further drying
- Material-compatible
- Leaves a long-lasting and pleasant fresh scent
- Also ideal for post-construction cleaning
- Can also be easily foamed and processed with a foam cannon

Application and dosage

- Always use cold water.
- Be sure to pre-wet surfaces and rinse with clean water!
- Consumption: 0,01 - 0,24 ml / per m²

 undiluted	 20 - 50 ml / 10 l water	 200 ml / 10 l water	 200 - 1.000 ml / 10 l water	 1:5 - 1:10 with water	 50 ml / 600 ml water

- Apply fresh application solutions and consume them within 24 hours at the latest.

Note

- Do not use on acid-sensitive materials, aluminum, painted surfaces, acrylic glass (PMMA) and lime-bound natural stones such as marble or travertine.
- Do not use on damaged surfaces.
- Do not mix with other cleaning agent concentrates or cleaning products.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.
