Corridor®+ Protect Glossy

P 938

Ecological dispersion, glossy

EU Ecolabel: {TXT_EU_

Area of application

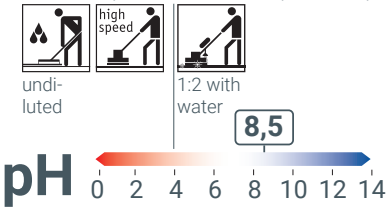

- Ideal for use in healthcare facilities such as hospitals, nursing homes and doctor's offices as well as other areas where disinfectants are used
- For all water-resistant, coatable (including residual moisture) and thoroughly cleaned floor coverings such as PVC and linoleum
- Coatable PUR-modified coverings
- Also suitable for absorbent natural and artificial stone floors

Product properties

- Eco-certified, awarded the Austrian Ecolabel
- Durable, high-gloss polymer dispersion
- Resistant environmentally friendly formulation
- Very good filling power and good flow properties
- Forms a dirt-repellent and abrasion-resistant care film
- Facilitates maintenance cleaning through higher surface performance
- Free of metal salt
- Optimal alcohol and disinfectant resistance
- Slip-resistant according to DIN EN 16165
- Can be easily polished with the high-speed machine
- Economical, as it is suitable for dry care film restoration and for cleaning (spray method)
- Easily removable with Corridor®+ Multi Stripper P 937

Application and dosage

- Apply neat in 2 - 3 coats evenly on a thoroughly cleaned, neutralised and dry floor covering.
- Correct dosage saves costs and protects the environment.
- Apply undiluted a thin layer in 2 – 3 layers.
- Each layer must dry out on its own.
- Consumption: 25 - 35 ml / per m2 / per order

Note

- Protect from frost.
- Avoid direct sunlight.
- Before processing, turn off heat sources (underfloor heating, heating, hot supply air).
- A single, temporary exposure on the surface without mechanics, to commercially available disinfectants (max. 15 Minutes of continuous stress) is tested and does not cause any damage to the coating surface.
- Changes or variations in colour of the product do not impact on the quality. The product image may differ in colour and shape from the original.
- **Safety:** Hazard statements and safety precautions can be found in the relevant safety data sheet, which is available at www.buzil.com.
- **Storage:** Always keep containers closed. Store at room temperature in the original container. Consume opened containers within 9 months.
- **Environmental:** Feed residual emptied containers to the dual system. For detailed information see environmental information.

Further information

- **Product colour:** white
- **Austrian Ecolabel:** UW 1126
